

COVID-19

We would like to update you on important information. Updated October 16 -2020.

Our Commitment: We take standards for hygiene and cleanliness very seriously and are taking additional steps to ensure the safety of our guests and employee's here at the Painted Boat Resort SPA & Marina.

On a daily basis, we are working to ensure that they meet the latest guidance on hygiene and cleaning. Our health and safety measures are designed to address a broad spectrum of viruses, including COVID-19, and include everything from handwashing hygiene and cleaning product specifications for Villas, public areas, SPA & Restaurant.

Here are some specific steps we are taking:

Employee Health, Safety and Knowledge: Our employees – and their own health, safety and knowledge are essential to an effective cleaning program here at the resort and here are some ways we're supporting them:

Hand Hygiene: Proper and frequent handwashing is vital to help combat the spread of viruses. In our daily meetings, our employees are reminded that cleanliness starts with this simple act. It's important for their health and that of our guests.

Ongoing Training: In addition to training on housekeeping and hygiene protocols, we are monitoring local health authority and government guidelines on preventative measures and WHO (World Health Organization) awareness information.

Cleaning Products and Protocols: Use cleaning products and protocols which are effective against viruses, areas including:

Guest Villas: Using cleaning and disinfecting protocols to clean villas after guests depart and before the next guest arrives, with paying particular attention to high-touch areas / items. We have also implemented a "Villa Dormancy" period whenever possible between departed / arriving guests (Villa assignment), and daily housekeeping villa service for stay over guests being restricted. During this time early check in and late check outs will be restricted. Daily housekeeping service (guest stayovers have been restricted; however items are available to be dropped off at the villa by our team members.

Public Spaces/ SPA, Restaurant & Fitness Centre: We have increased the frequency of cleaning and disinfecting in these areas, with a focus on the counter at the reception, tabletops, gym equipment, door handles, public washrooms, change facilities and villa keys.

Employee Areas: We are increasing the frequency of cleaning and focusing on high-touch areas like employee offices, administration areas, laundry, housekeeping, restaurant and kitchen areas.

Temporary Closures / Additional Information: SPA/SPA Garden, Fitness, Pool, Hot Tub, Restaurant were temporary closed in accordance with BC Health Ministry requirements.
